I know I've already said this, but it bears repeating...I just got married September 2018. It was not my first marriage, but it was my first wedding. And it was sooo worth the wait. Not everything went perfectly (it hardly ever does 😊). But, it was still so much better than I ever could have imagined! So, even if you choose a different venue for your special day, please feel free to ask our help with any questions you might have. We LOVE to help people make their wedding as wonderful as mine was!

Thanks and Have a Fabulous Day!
